

DAIRY FREE DELICIOUSNESS.

Your customers will sip into simple satisfaction with Big Train® Dairy Free mixes. These mixes let every customer, regardless of dietary needs or preference, indulge in their favorite frappé, mocha, steamer, chai or latte. Simply mix into any dairy alternative or regular milk and reduce food and labor costs with every delicious drink served. Plus, Big Train Dairy Free mixes are fortified with GanedenBC³⁰®, a natural probiotic ingredient that supports digestive health and the immune system, for the functional benefits customers want.

Big Train

is the largest brand within the Powdered Blended Beverage Mix category¹
