BE THE SOLUTION AND PUT AN END TO POLLUTION WITH **KARAT EARTH® WOODEN UTENSILS!**

Karat Earth® wooden utensils are made from wood material, making it possible to cut down the overall use of plastic for your business. They are heavy weight, sturdy, and strong, which is perfect for catering providers, restaurants, on-the-go meals, picnics, parties, and many more! Wooden cutlery can be sent to an industrial compost instead of a landfill. Become more sustainable by providing an eco-friendly alternative to plastic disposables. Now available wrapped and unwrapped.
