CERT #10528492

Our PLA-lined cups are ideal for serving everything from fountain drinks to smoothies. The interior and exterior PLA lining ensures beverages stay icy cold and prevents condensation buildup. Our eye-catching "One Earth" stock design reflects our commitment to sustainability, or customize them with your logo for a branded touch. Available in multiple sizes with matching PLA flat lids and compostable fiber paper flat lids that offer a sustainable choice.

✓ **Custom Print Available!** ✓ **PFAS Free!**

AVAILABLE IN VARIOUS SIZES
