FOODSERVICE PRODUCTS

**CLEAR TOP &  
BLACK BASE**

## TRANSFORM YOUR TAKEOUT EXPERIENCE WITH **PREMIUM PP HINGED CONTAINERS!**

Karat® offers seven types of Premium PP hinged food containers, designed for the safe and convenient transport of hot and cold foods. Premium PP containers are made of high-quality polypropylene, equipped with pull-lock tabs, and can handle temperatures from -14°F to 220°F. The Premium PP hinged containers are also ideal for hot, fresh food and microwaving, featuring four vents. These containers are sturdy and versatile, making them suitable for all types of food packaging.
