ACHIEVE COMFORTABLE PROTECTION WITH **KARAT® FACE MASKS!**

Karat® Face Masks will provide a comfortable protection from dust, air pollution and many other harmful particles. Choose from 3-ply, KN95, or kids face mask depending on your business's needs. 3-Ply gives just enough protection to get you through your day, while KN95 face mask gives extra added protection and effectively blocks PM 2.5 level particles because it contains electrostatic filter material. Kids masks are designed to fit smaller faces, between the ages 4-12. All three masks feature convenient ear-loops and will provide a breathable filtration for long wear use.
