

BOBA

Made from the starch of the cassava root, Tea Zone® tapioca pearls, also known as boba, are the perfect add-on for milk tea and many other beverages. Our boba is sweet, chewy and translucent and comes in two sizes: regular (1/4" dia. uncooked) and mini (1/8" dia. uncooked). We also offer a white colored boba perfect for customization.

CANNED TOPPINGS

Canned toppings are an easy way to add something extra to your desserts and drinks. Green and red beans have been cultivated for thousands of years as a source of nutrition and sweet and slight nutty flavor. Taro, on the other hand, is firm and sweet with many health benefits. Each makes a delicious topping for shaved ice, frozen yogurt, or slushes. Sold in individual packaging for ease of use.
