Matching Lids PP Flat Lid

Our Karat[®] PP deli containers can be used for ready-to-serve food, for takeout, or to prepack specialty foods for store shelves. The regular deli containers can be paired with our one-size-fits-all lids and are translucent for easy viewing; whereas, our injection molded series can be microwaved or frozen and still maintain their form. All of the containers can be used for both hot and cold food, and are recyclable, with a resin identification code of 5. Durable and shatterproof, these containers are perfect for a variety of culinary creations.
