

PROTECTIVE GEAR

Karat[®] Face shields, goggles, and infrared thermometers are all great additions to your business's safety operations. Karat[®] Face Shields are ideal for protection against liquids, dust, and other harmful particles. Each face shield is anti-fog to ensure clear field of view at all times. Karat[®] Goggles will help protect your eyes from harmful particles like dust, chemical splashing, and many more without fogging up. Infrared thermometers are used to check temperatures in both Celsius and Fahrenheit without contact!
