PROTECT THE PLANET BY SWITCHING TO **KARAT EARTH® ECO-FRIENDLY PAPER FOOD CONTAINERS!**

Karat Earth® eco-friendly food containers are made from renewable resources and feature an interior PLA lining that can be composted back into the earth as opposed to standard plastics derived from fossil fuels. They are designed to be used with hot or cold foods from ice cream to side dishes, and come in multiple sizes to meet your foodservice needs. Choose white, custom print, or the stock print with the slogan, "One Cup, One Earth".
